Gentlemen:

Could you advise me
where I could obtain plush or
cloth lined cases for medals the
size of the "Prince of Wales" issue
also for those of the larger size
like that of the "U. S. Declaration
of War" medal -

The information would
be appreciated -

Very truly yours,

E. G. Wyckoff.

Dear Sir:

In response to your note of the 6th, I am wondering whether you want these boxes in quantity, or merely one or two for the specific medals you mention. I am planning to send the second copy of the Prince of Wales Medal, the order for which accompanies your letter, in an extra box which we happen to have here at the Society. Another medal came to us in it, and we are very glad to have you make use of it. If, however, you want a number of these boxes, I must report that the situation at present is very discouraging. There has been a strike among the manufacturers of these boxes, and it is next to impossible to get them, even at prohibitive prices, and with long delay.

I am very sorry I cannot give you a more satisfactory report.

Very respectfully yours,

Secretary.

Dear Mr. Secretary:

Anticipating that yours
of January 9th would be soon followed
by the Prince of Wales medal and case
I delayed acknowledgment. The medal
came on Saturday but in the same sort of
box as have been the other medals I
have received from the A.N.S. so I take
it that your plan, for some reason, was
changed.

However, I thank you for
your information and efforts -

Faithfully,

E. G. Wyckoff

Dear Mr. Wyckoff:

Referring to your note of the 2nd, I trust that by this time you have received the case, which did not leave here until after your medal had been sent, owing to an oversight on the part of our clerk. I also hope that it reached you in good condition, and that it proved to be what you desire.

Very respectfully yours,

Secretary.
